4. In order to check the increase in the number of Adverse balances and accumulation of balances under suspense heads and Cheques and Bills it is necessary that these should be scrutinized in depth and action taken immediately to liquidate the same in the accounts for 2017-18 itself. CCA/CA/Dy. CA (holding independent charge) of the Ministry/Department and Accountants General are required to **append an 'Action Taken Note'** duly signed by him/her explaining therein the reasons of adverse balances and remedial measures taken and also action taken for liquidation of outstanding balances under Suspense heads along with the material for Statement No. 13, 14, 14A, 15 and 16 of Finance Accounts.
3. It has been seen in the past that one of the reasons for minus transactions as explained in the SCT/Material was due to rectification of misclassification in previous years. This is not acceptable to the Audit. The reasons of minus transactions wherever they occur, should be specific and in case of rectification of misclassification, year/years to which the misclassification pertains together with the relevant heads of Account should be clarified.

AS PER IGAS - 2**

1. Complete information for all grantee categories is to be furnished as per Proforma 1(a) and 1(b). If there is no information to be furnished, a NIL report may invariably be sent.

**The statement is to be signed by the CCA/CA (only independent charge).**

2. Under PFMS Grants-in-aid are already being captured along with Grantee category. Grantee category available in PFMS corresponds with the category in IGAS-2. The mapping between two is as under:

<b>Name/Category of the Grantee as per IGAS-2</b>	<b>Corresponding Mapping as per CPSMS</b>
State Government	State Government
UT Governments	
Urban Local Bodies	Local Bodies
Panchayati Raj Institutions	
Public Sector Undertakings	State Govt. PSUs and Central Govt. PSUs

Autonomous Bodies	Registered Societies (Govt. Autonomous bodies)
Cooperative Societies and Cooperative Institutions	Trusts
Statutory Bodies and Development authorities	Statutory Bodies
others	Central Govt., Private Sector Companies, Individuals, International Organization, State Govt. Institution and state Govt. DDO(name of entities)

3. Information may be furnished in lacs of Rupees with complete detailed classification.
4. Grants released under all major heads including functional major heads may be accounted for while furnishing the requisite information. The IGAS-2 statement should be prepared on the gross basis.
5. Information for 'Grants-in-aid in kind' must be accounted for as per Proforma - 1(b). It was observed during previous years that some of the ministries/departments furnished same set of figures for both 'total funds released as Grants-in-aid' and 'value of Grants -in-aid released in kind' whereas some of them did not furnish statement for 'value of Grants -in-aid released in kind' at all.
6. Information furnished must be consistent with bookings made in the SCT. Information furnished must also be cross checked with controller wise/grant wise bookings of Grants-in-aid made through e-Lekha up to object head level (object head 31, 35 & 36). There must not be any difference between the information furnished, bookings of Grants-in aid in the SCT and grant-wise object head-wise bookings of Grant-in aid in e-Lekha.

7. The statement of Grants-in-aid provided in FMS should be reconciled with e-Lekha using above mapping. Differences between e-Lekha and FMS, if any, may be analysed and reasons should be furnished along with IGAS-2 statement.
- Identification of difference between e-Lekha and FMS figures: e-Lekha shows net grants released during the year taking into account 'Deduct -Recovery of unspent balance of Grant-in-aid' under the minor head 911/912/913. FMS, however, shows gross release of grants made during the year. The difference may be for some other reasons also, e.g. multiple payments in COMPACT for a single bill due to GePG payment failure, RBI advises for grants released to State/UT with legislature wrongly entered multiple times in FMS etc.
8. A reconciliation statement showing that information furnished agrees with e-Lekha figures and FMS figures is to be furnished in Proforma 1(c).
9. Effect of Changes in the IGAS-2 Statement on account of JEs must also be reflected in the statement of Grants-in-aid and intimated to this office along with the JEs. The reconciliation statement with FMS should be also changed accordingly.
