Subject: Posting of SAS Apprentices.

Following release of posting of SAS Apprentices by HQrs. Office, references are being received from field offices seeking clarification regarding implementation and placement of SAS Apprentices. The matter has been examined at HQrs. Office. The Points of doubt raised and the clarification thereto are issued as under:-

Sl. No.	Point of Doubt	Clarification
1	Some of the SAS Apprentices are already serving under this organization as Auditor/ Sr. Auditor. Whether such individuals are required to technically resign from their present post to take up their appointment as SAS Apprentice.	Selection of the individual has been carried out through Examination conducted by Staff Selection Commission and may not be related to departmental Examination. The individuals already serving in central Govt./ State Govt. Services are required to tender technical resignation from their present job and may join as SAS Apprentices only after acceptance of the same.
2	The powers and duties to be assigned to these SAS Apprentices.	The general duties of Section Officers (Accounts)/ SAS Apprentices are detailed in Appendix I, Para 367 of office manual -I.
3	Post of Section Officer (Accounts) has already merged with the Cadre of Asst. Accounts Officer. Whether on passing the SAS Part-II examination, the SAS Apprentices would be required to be designated as Section Officer(Accounts).	Till the finalization of Recruitment Rules of AAOs, both the posts i.e. Section Officer (Accounts) and AAO still exist in the department. AS such, as of now, the candidate on passing SAS part II exam would be designated as Section Officer (Accounts).

All concerned are requested to take note of the above clarification.
