4	PCDA (WC) CHANDIGARH	Installed on stand alone PC	Done	NO	NO	NO	NO	NO	NO	NO	NO
5	CDA (Army) Meerut	Done	Done	During training session at IT&SDC, training regarding functioning of these modules was imparted only. Provision for importing of old common masters like vendor masters etc through menu has still not been made in system. Further during training feed back regarding incorporating many changes in the system was given to ITSDC to make it functional and user friendly. ITSDC has ensured for incorporating these changes in revised version. However the same has still not been received. Option for data importing through menu was made only for DAD pay bill for which data has already been imported by this office.							~
