The Trial Directive must specify the fundamental points that need to be addressed for validation of RFP parameters in terms of 'Compliance cum Responsibility Matrix'. Parameters not mentioned in the RFP will not be included in the Trial Directive and no variation to the SQRs will be introduced in the compliance matrix. Responsibility for testing each parameter must be fixed for a single agency. Trial Directive, would also list out exact location and detailed trial schedule keeping in mind availability of the requisite infrastructure (ranges/labs), as also readiness of vendors. Parameters/tests acceptable by certification through accredited labs will be clearly specified in the Trial Directive. Respective trial agency, after consultation with SHQ, would however reserve the right to undertake random/sample test to confirm the certified parameters. The nomination of the Trial Wing/Team will also be done in the Trial Directive.</p>	<p>69. <u>Trial Directive.</u> SHQ, in consultation with TEC compliant vendors, will formulate a detailed Trial Directive in conformity with the Trial Methodology given in the RFP.
