The issues referred in the above cited letter have been examined in the light of provisions of Para 4.5.1 & 4.5.2 of DPM 2009 according to which the treatment of PAC or otherwise will be decided based on the initial mode of tendering and eventual purchases. It is therefore suggested to examine the proposals related to Repairs/Servicing in terms of DPM provisions cited above.

This office receives Comprehensive Annual Maintenance Contract cases in r/o medical equipment in large numbers with high value. These AMC agreements are generally entered into with the OEM or its authorized suppliers/dealers. While processing these cases, a doubt has arisen as to whether these proposals are to be treated as PAC cases or normal procurement of services cases as per para 4, DFPDS 2015 at which the powers for PAC bidding and Single Bidding cases will be 50% and 5% respectively of powers mentioned in each schedule/ sub schedule. If these AMC cases are to be treated as PAC/ single bidding cases, the CFA will have to be determined accordingly.

It is requested that HQR. Office may issue guidelines regarding processing of AMC cases.
