w.r.t. your discussion with Pr.IFA on 9.8.07, it is clarified that the proposals for the monetary values within inherent financial powers of various CFAs as laid down in the relevant schedules of delegation of financial powers for sanction of civil works, will continue to be sanctioned by CFAs without the concurrence of IFAs as hithertofore. During discussions you had also expressed certain reservations about inclusion of LBW, Revenue and Minor Works in our circular dated 28.6.2007. In this context, it is further clarified that LBWs, Revenue Works and Minor Works by definition being works costing below Rs. 10 lakh, Rs. 2 lakh and Rs. 1 lakh respectively would fall in the category of works to be sanctioned without financial concurrence as per Sch. XVIII of delegation of powers, 2006.

Subject: Concurring of LBWs/ Special Repairs/Minor/revenue Works.

Reference: This Hqrs office letter No. 18184/AT-X/VI dated 23.3.2001.

It may be recalled that Ministry of Defence letter No. 3(7)/93/D(Works) dated 26.8.98 laid down the enhanced powers for acceptance of necessity / Administrative Approval with IFA's concurrence in respect of works included in the MWP/AWP. However, the proposals in regard to concurrence of LBWs/special repairs etc. were not being concurred by the PCs DA/ CsDA / IFAs on the plea that these works do not form part of MWP/AWP. MoD had at that stage proposed a corrigendum providing for concurrence in respect of LBWs/ Special Repairs etc. also under the ambit of their said letter dated 26.8.98. The Pr. CsDA/CsDA did not favour the proposal at that stage for the reason that the system of concurrence of works proposals forming part of MWP/AWP, under IFA system may require some time to fully stabilize. Therefore, we had advised MoD to keep LBWs/ Special Repairs etc. out of IFA system. Accordingly adoption of existing practice/procedure in respect of these works was conveyed by the MoD under 'Addendum/ Corrigendum' No. 3(7)/93/D(Works) dated 22.2.2001, which was circulated vide Hqrs office letter dated 23.3.2001 cited under reference.

- 2. Now, sufficient time has passed and IFA system has also stabilized and necessity has been felt to review our earlier decision. It has therefore, been decided that cases of LBWs/ Special Repairs etc. should also be examined and concurred by the Pr. CsDA/ CsDA/ IFAs, even if these are not be part of MWP/AWP.
- This may also be ensured that the task is performed in a professional manner and is properly monitored.
- 4. This issues with the approval of Addl. CGDA -II.
- 5. Please acknowledge receipt.
