Subject: Upgradation/Installation of MPLS VPN-based WAN in the organization of CGDA under Managed Network Service (MNS).

This is with reference to the upgradation/installation of MPLS VPN – WAN facility in the organization of CGDA. An order for supply & Installation of MPLS VPN-based WAN under Managed Network Service (MNS) has been given to BSNL. Under the new MNS system, the following is provided:

- a) BSNL will provide the new 'User end Hardware' like Routers/modems/Converters etc. alongwith bandwidth at each sites.
- b) The WAN is to be configured and managed by the BSNL, who shall also provide 24 X 7 supports for complaints and fault resolution.
- c) BSNL will ensure 99% uptime for the network for individual links. Necessary hardware and software for this purpose will be installed by BSNL.
- d) Installation, operation and Maintenance during the whole period of MNS, i.e 5 years, of links and hardware (supplied by BSNL) will be completely done by BSNL.
- e) BSNL will provide a technical personal at CGDA Office, to act as Single Point Contact person for all the WAN sites to resolve and escalate all the issues relating to Installation, operation & maintenance during whole period of MNS. The service of such personnel will be available at the HQrs Office from 09:00 AM to 06:00 PM on all working days of the DAD (Phone No. 011-25675030).

2. In this regard it is requested to keep the sites ready for installation of MPLS-VPN based WAN under MNS at respective locations as mentioned in Annexure 'I'.

3. The Controllers should ensure that the PC earmarked for this purpose is in good working condition and UPS is attached. The power supply to the equipment and PC to remain switched on should also be ensured for uninterrupted connectivity of WAN.

4. It is also requested to send the Upgradation/Installation Report of the offices/sites (list enclosed) under your jurisdiction, immediately to this HQrs office in the prescribed Excel Sheet proforma (Format attached)

5. Name of at least two (02) Contact Person along with Telephone No, Mobile No & Mail ID (cgdamail & NIC mail) also be forwarded immediately (Format attached)

6. The local BSNL office may be contacted for any difficulty found in smooth functioning of WAN also complaint can be lodged on the following numbers:

- BSNL/MTNL : 18004251957/18004251958
- Network Operation Centre (NOC) Trimax IT Infra : 022-39681000
