**Subject: Clarification regarding fixation of pay consequent upon enhancement of IOR from 2.57 to 2.67 in respect of Level 13 of pay matrix corresponding to pre-revised Grade pay of 8700.**

Of late, this HQrs has been receiving queries/ references from various Controller offices seeking clarification regarding the pay fixation under 7<sup>th</sup> CPC consequent upon enhancement of IOR (Index of rationalization ) vide MoF, Dept of Expenditure Resolution dated 16.05.2017 from 2.57 to 2.67 in respect of Level 13 of the pay matrix i.e corresponding to pre-revised Grade pay of Rs 8700/- .

2. In this context, it is clarified that Index of rationalization is to be applied for computation of first cell of a particular level i.e corresponding to a specific pay band and Grade pay under 6<sup>th</sup> CPC. Accordingly, a revised pay matrix has been provided under the Gazette of India dated 16.05.2017 incorporating the ibid enhancement from 2.57 to 2.67. It is however, intimated that the fitment factor of 2.57 as mentioned under Para 4(2) of Ministry of Finance resolution dated 25.07.2016 which is to be uniformly applied to all employees stands unchanged.

3. All pay fixation cases may be regulated accordingly.
