Subject: Preliminary Examination (Test) – Instructions and guidelines for filling up the boxes and

darkening of the circles in Answer Sheets and Question Booklets.

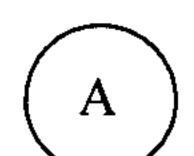

Reference: HQrs office circular No. AN/SAS/16100/SAS/Prelim/July/2012 dated 1.6.2012 and

22.6.2012.

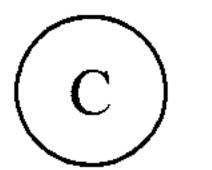

Guidelines on conducting last Preliminary Examination (Test) held during 2008 was issued to all Conducting Officers vide this HQrs. Office letter No AN/SAS/16100/Prelim/2008 dated 21.07.1008 enumerating therein instruction for conduct of Examination and instruction for candidates appearing in the Examination. In addition, instructions are also printed in the Answer Sheets as under:-

"(i) All circles are to be darkened using HB Pencil. Darken only one circle as shown below:-

CORRECT

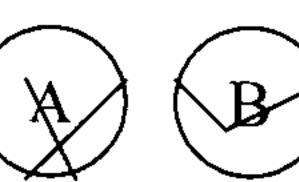

WRONG

- (ii) Marking should be dark and circle is to be filled in completely.
- (iii) If you wish to change an answer, erase completely the earlier mark on the circle and make fresh marking.
- (iv) Make marking only in the space provided. Please do not make any stray marks in the answer sheet.
- (v) Rough work must not be done on these answer sheets. Use rough sheets provided at the end of the question booklet.
- (vi) Mark your answer only in the appropriate circle against the corresponding number of the question you are answering for each question.
- (vii) Mark your question Booklet Number, Roll Number correctly on this page in the space provided by duly darkening the circles. Answer Sheets will not be evaluated if question booklet number is not indicated by you."
- 2. Experience in past has shown that inspite of issue of specific guidelines/instruction as above, allowing shortcomings were detected from the answer sheets of the candidates:-
 - (i) Darkening of circle has not been done for CATEGORY (i.e. GEN/SC/ST).
 - (ii) Darkening of circle has not been done for choice of Part 'B' answers (i.e. ARMY/FACTORIES/AIRFORCE/NAVY).

Page 1

- (iii) Choice has been darkened for ARMY but answers have been given for FACTORY portion.
- (iv) Both the category GEN and SC/ST have been darkened.
- (v) Answers have been darkened for both ARMY and NAVY portions.
- (vi) Answers darkened for all the four specialist portions i.e. ARMY/FACTORIES/AIRFORCE/NAVY.
- (vii) Incorrect darkening the circle in Roll Number portion of the Answer sheet.
- It thus appears that the candidates have not been given proper and correct advice and guidan ϵ by the Conducting Officers as well as by the Invigilators before start of the examination to fill up the box es correctly and darken the circles correctly and prominently. In order to avoid recurrence of such irregularities/shortcomings, following instructions are issued for strict compliance by the candidates, the Invigilar ors and the Conducting Officers:-

I. <u>INSWER SHEETS</u>:

There are 2 Papers – Paper-1 (common to all) and Paper-2 (Part 'A' – common to all and Part 'E' – optional – Army, Air Force, Navy & Factory). OMR Answer Sheets shall be provided to each candid te for Paper-1 and Paper-2 separately. It is a single sheet paper. In front page of the Answer Sheet, he four digit Answer Sheet No. has been printed on top right hand side followed by INSTRUCTIONS and Part-I. In PART-I, there are boxes meant for Name of the candidate (in block capital letters), Roll No. in five be es, boxes for Question Booklet No., signature of the candidate and signatures of the Conducting Officer and the Invigilator. The most important part of the Answer sheet is PART-II (opposite/back side of the Answer sheet). It contains Roll No. (five boxes with 1 to 0 numerical numbers for each box), Booklet No. (five boxes with 1 to 0 numerical numbers for each box) Category i.e. Gen and SC/ST and choice of Army/# r Force/Navy/Factory have boxes as well as circles. Then the main portion is the ANSWERS i.e. for Part er-1 it is ANSWER Portion. For Paper-1 the candidates have to answer 100 questions and accordingly, there are 100 Serial Number with (A) (B) (C) (D) for each Serial No. On the other hand, Paper-2 consists of two parts – Part A – Compulsory i.e. Common to all and Part B – Optional/choice and accordingly serial numbered from 1 to 50 (common) and 51 to 100 in respect of Army, Air Force, Navy and Factor, with (A) (B) (C) (D) for each Serial Number.

A. IN THE CANDIDATE

Two examples of wrong darkening of circles(Roll No. and Booklet No. are cited below alongwith correct darkening of the circles. The candidates should follow the correct darkening of circles in respect of their ROLL NUMBER and BOOKLET NO.

It would be seen from above that the candidate even though correctly indicated Roll No. in the books but wrongly darkened circles which read as 10009 in stead of 10259. Thus the candidate made mistake in darkening the circle 259 as 009. Similarly, the darkening of circles representing Booklet No. has also been wrongly done by the candidate which is 29151 instead of 10570. The correct darkening of the circles s indicated below.

- All the instructions printed on the answer sheet must be followed while <u>darkening the</u> <u>circles</u> in respect of Roll Number, Booklet Number, Category, Choice in Part-II. Use HB Pencil only in filling to the boxes and darkening of circles in Part-II.

All questions to be answered for Paper-1 and Paper-2 Part-A (compulsory portion) and question from any one of the sections Army, Air Force, Navy and Factory from choice portion as allowed by CGDA in Part-B. Use His Pencil only in darkening the circles prominently while answering each questions.
- (e) Circles against Roll Number, Booklet Number, Category, Choice of Part-II should be carefully and correctly filled up and should not be kept blank. Any incorrect darkening of circles in Part-II shall be detrimental / fatal to the candidate as computer will read only the darkened circles.
- While answering Paper-2, care should be taken by the candidates to ensure that in addition to attempting the Compulsory Portion (Part-A), they should attempt any one Part in the option: I/choice portion (Part-B) of Paper-2 i.e. Army, Air Force, Navy and Factory. The candidates are required to quote their Roll Numbers as well as Booklet Number in the boxes in addition to darken the circles. This information is common to both Paper-1 and 2. For Paper-2, a separate box for indicating one option shoice from Army, Air Force, Navy and Factory has been prescribed. In addition to indicating the category and choice/option in the prescribed boxes, the candidates are also required to darken the circles thereir.
